

How to Reach Mala Planina Guest House

It's best to take Lomsko Shosse from Sofia through Kostinbrod. Take a right turn in Buchin Prohod. Iskrets is just 7 miles away from that point.

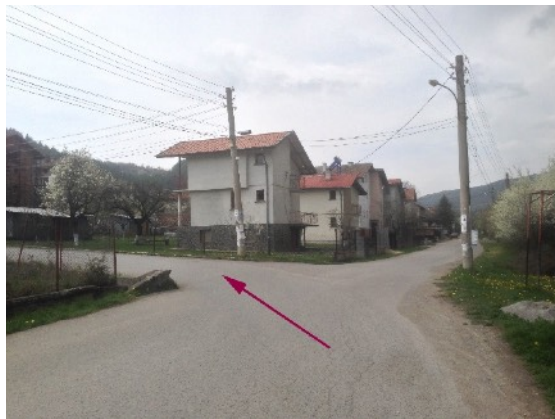

Take a right turn just before the school (the big yellow building on the right on the picture):

Pass by the soccer stadium and take a right turn before this tiny tall building:

In 50 m turn left towards the slope.

Take the second left on a white steep concrete road.

This road goes right to Mala Planina even if it looks like a windy forest path:

This is what your destination looks like:

And this is how it looks from the main road looking south.
